How was your mood on the 1st of August today?

How did you feel?

How long is it for me to go back to work?

When these, your colleagues, can be assist?

Well, they try to help me out they are not listening.

I have not feeling you aren't heard?

Can I help with that?

Yes, please

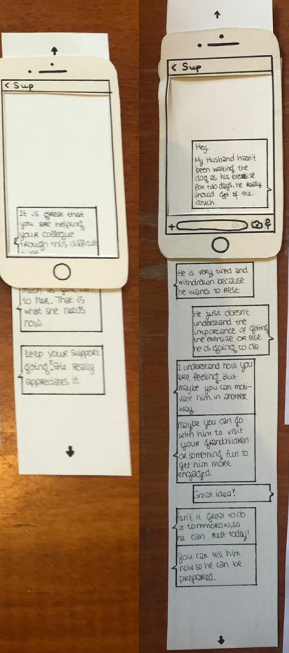

Great, you are helping your friend through this difficult time.

Try to listen as much as you can to him. There is what he needs now.

Sup, the support going? he really appreciate it.

How is feeling you are not heard?

Can I help?

Meg

My husband hasn't been waiting the day as he thinks the way that he really should get of the couch.

Will let me see how he's feeling

He is very tired and withdrawn because he wants to rest.

He just doesn't understand the importance of getting the exercise and he is going to die.

I understand how you are feeling but maybe you can mention this in another way.

Maybe you can go with him to visit your supervisor or something fun to get him more engaged.

Good idea, his grand children always get him to be active.

Maybe that is a good plan for tomorrow, so he can rest today?

You should definitely tell him?

He hasn't been waiting with me day for two days and he really should get of the couch.

He now are you feeling today?

I am so tired and my muscle hurt from being.

I am so sorry to hear that.

Is keeping up with your exercises difficult?

Yes, I just want to be left alone and rest.

Log you feel like that because your legs are getting worse?

I completely understand how this is feeling after you had that accident.

Tomorrow, you'll feel better.

Sup

Hi, does anyone have any questions about the scan results?

I am sorry to hear that.

Is it difficult to keep up with your exercise now?

Yes, I just want to be left alone and rest.

I completely understand how this is feeling after you had that accident.

Tomorrow, you'll feel better.

Sup

Was there someone with you at the appointment today? Did they hear the doctor say it?

Son

Yes, I was there. But I don't remember it.

There was so much information to process at once.

Sup

The surveillance is 50% after 6 years.

Sup

Do you feel like you are in need of help looking at the information.

Yes, the information is too difficult.

Sup

Okay? Maybe your family & friends can help you by taking some notes during appointments.

Sup

What do you think @ Son?

Sup

I am just going to see a son before and my friend are too sick on my diet. I am really getting annoyed with my vet but calling me every two hours.

Do you want me to meditate?

No

How do you feel about being called every two hours?

I'm stressed & distracted.

Did you rest her if she is or with you checking up with?

Yes, the doctor said she should rest every two hours. I am helping her. I am helping her. I don't want to forget.

Yes, the doctor said she should rest every two hours. I am helping her. I am helping her. I don't want to forget.

Great, that you are helping her!

Maybe she's feeling a bit distracted. She keeps on going on-and-on.

Great, that you are helping her!

Meg

I was thinking about how you are helping @ with her diet.

I gathered that she's new your husband isn't eating as she's depressed you'd like.

Yes, the doctor said she should rest every two hours. I am helping her. I am helping her. I don't want to forget.

Ik

Bij kleinkinderen op school

+ Personen toevoegen

Tijdens de chemo ben ik verkouden geworden nadat ik bij mijn kleinkinderen op school was.

- Ik moest heel erg snorren
- Hoesten deed heel erg veel zeer

Het advies van de arts was om rustig aan te doen.

Tijdens chemo kan je makkelijk verkouden worden. Neem contact op bij koorts met de specialist verpleegkundige.
